

Directions to the Quogue Wildlife Refuge:

FROM POINTS WEST

(1) Using Sunrise Highway

- Take Sunrise Highway East to Exit 64 South (County Road 104)
- Take County Road 104 South and stay right at curve (Lewis Road goes left)
- Continue on County Road 104 (also known as Quogue-Riverhead Road) a little more than one mile, then turn right on Old Country Road (I think it's the third right after curve)
- Continue on Old Country Road for less than a mile, then turn right into Quogue Wildlife Refuge parking lot (immediately before sharp left turn over railroad tracks)

(2) Using Montauk Highway

- Take Montauk Highway East through Eastport, Speonk, and Westhampton
- Continue on Montauk Highway, crossing over Quantuck Creek, then take first left onto Old Main Road
- Take Old Main Road north, cross railroad tracks, then turn left into Quogue Wildlife Refuge parking lot

FROM POINTS EAST

(1) Using Sunrise Highway

- Take Sunrise Highway West to Exit 64 South (County Road 104)
- Take County Road 104 South and stay right at curve (Lewis Road goes left)
- Continue on County Road 104 (also known as Quogue-Riverhead Road) a little more than one mile, then turn right on Old Country Road (I think it's the third right after curve)
- Continue on Old Country Road for less than a mile, then turn right into Quogue Wildlife Refuge parking lot (immediately before sharp left turn over railroad tracks)

(2) Using Montauk Highway

- Take Montauk Highway West through Hampton Bays & East Quogue
- Continue on Montauk Highway into Quogue Village, then take right onto Old Main Road (last intersection before Montauk Hwy. crosses Quantuck Creek)
- Take Old Main Road north, cross railroad tracks, then turn left into Quogue Wildlife Refuge parking lot
